Dear Valued Customer,

In anticipation of the Electronic Economic Impact Payments, which will number in the millions, beginning to go out in the very near future I would like to remind all of our customers of the numerous ways you can verify the arrival of your deposit. In addition to our traditional 24-hour telephone banking (iTalk) product we offer a state of the art Online Banking product as well as a new Mobile Banking (Bank of Charlotte Mobile) product. All of these products allow you easy, 24-hour access to your account information. If you are not currently taking advantage of these products I would encourage you to visit our newly designed website (www.bankofcharlotte.com) and open the E-Banking Tab for complete information.

As always, we value and appreciate your business. If you need help with any of these products, reach out to one of our branch offices for assistance. Please know our bank continues its' efforts to support our customers, communities and employees during the COVID-19 crisis.

Sincerely,

A handwritten signature in black ink that reads "Dabney T. P. Gilliam, Jr.".
